Examiner, Art Unit 3771
/Justine Yu/
Supervisory Patent Examiner

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: On 2/24/08 The examiner informed Ms. Wingood that independent claims 28 and 41 appeared to be allowable over the prior art and claim 53 would be allowable over the prior art if the newly added limitation of claim 1 beginning at "two air delivery" and ending at the first occurrence of "Venturi device" were incorporated into claim 53. Ms. Wingood said she would discuss the proposed claim limitation with her client.

On 2/25/09 Ms. Wingood sent the examiner a proposed claim amendment. The examiner proposed slight modifications to the proposed amendment to clarify the claim. Ms. Wingood said she would discuss the modifications with her client.

On 3/3/09 Ms. Wingood said applicant's were agreeable to the proposed changes and asked that the changes be made by examiner's amendment.
